## Cat toys For Cool Cats

Strip for tables, couches, chairs, doorposts, stairposts

Comes in adjustable <sup>DIY</sup> strips you can cut your self

Avg. dining table 30" x 4" 1st size SKRATCH mini: 80cm x 15cm SKRATCH mega: 160cm x 30cm

2 sizes for tables and chairs legs & door posts another for slightly diff system w/ couches and bigger chairs Love seats twist pins

Flexible vinyl (PVC)

Shiny but barely noticeable on furniture

maybe featured in funny colors as well

Adhesive strong hold gum

can't in insulate? (Also used for paintings, contracts, etc...)

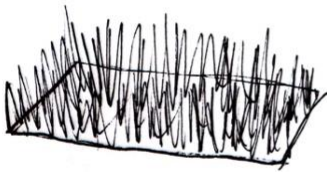

insulate... natural material... to protect furniture/surface

Scratch part for cats made from twine

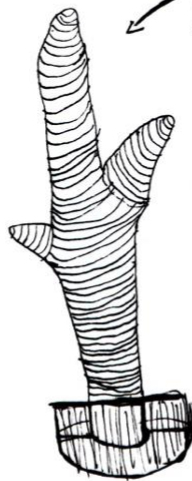

Alternative with pins

Flexible Vinyl (PVC)

Cat grass / wheat grass

Cat grass Home mats

Twine cactus scratch Pole or SKRATCH Pole kama

Attachable flowers with catnip insects

pot Realistic maybe also made of twine vertical weight? inside

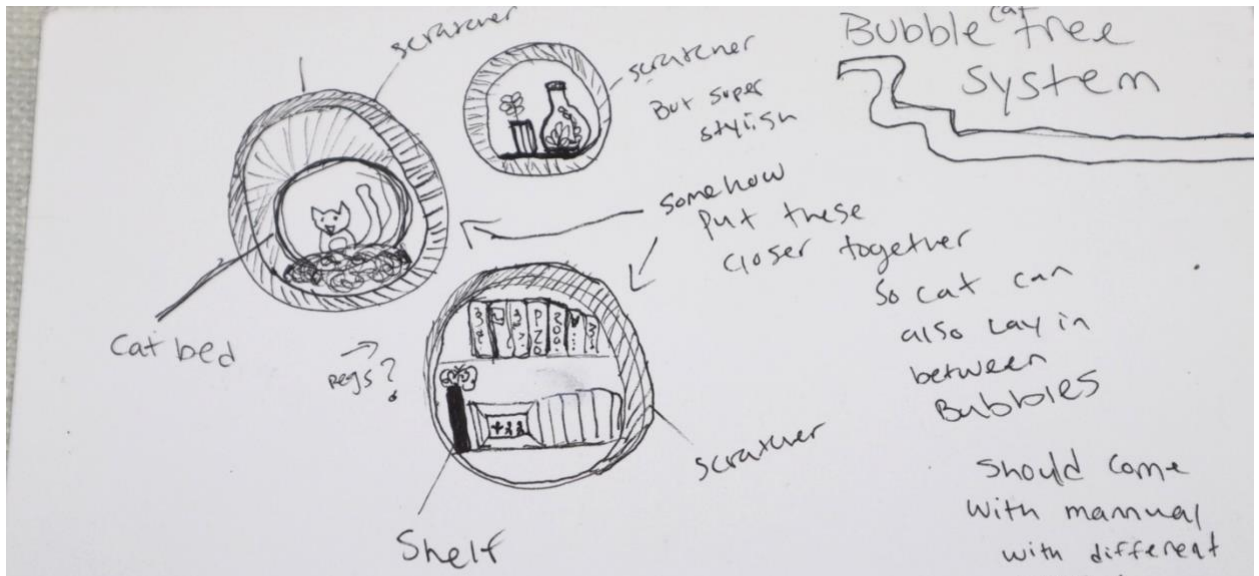

Nepeta cataria AKA Catnip Plant real plant

Fun fact: Repels mosquitoes only grows in a lot of sunlight + well drained soil

Pot wrapped or made from twine

must be heavy coz makes cats crazy... weight inside

# DIK Sketches and Process

DIK The need know & Info

**the Need:** Target customer <sup>at</sup> <sup>outdoor</sup> <sup>festivals, camping, Athletic, or leisure events are</sup>  
 Partaking in these activities. That has a small bladder and is constantly on the go/ needing to go.

**Differentiation:** Not only is the device smaller but It doesn't look like any FUD on the market. Its a fun/cute/sleek design that allows women to handle their business with a laugh & in style. It also comes w/ natural antimicrobial/antibacterial 100 ml spray bottle &

stylish pouch. Almost no other FUD offers cleaning/carrying kit. And like Tinklebelle it is foldable \* competing ~~substitution~~ FUD's

**Dimensions:** estimated  
 16.5-18.5 cm length  
 As small as possible  
 Width 4 cm  
 Height/depth 3.5-6 cm  
 When rolled up 8.25 cm or 9 cm Length  
 Width 3 or 5.5 cm

	Tinklebelle	Pstye
unknown height	3-4 approx	3.8 cm tall/height
5 cm width	23.5 length cm	3.8 wide
14 cm length	6.5 cm wide	14 cm long
weight		weight mix 23g/0.8oz
when not fully extended	height 53g/1.9oz	

Dimensions of ~~the device~~ carrying Bag unknown but big enough for spray

## Waking Life Idea

Find your \_\_\_\_\_  
(Name)

Example of Birthday Board Calendar

- 12 different boards

- very small polaroid camera  
FujiFilm  
Mini Instax

Each board will be marked w/ each day & themed.

July  
- Hammock - grass  
• beach • Palm tree  
Example of Row

Find the people with the same birthday or same month  
On a giant calendar

You can take a picture of yourself and write your name and your year (for ex) 92' with a provided polaroid camera.

Pictures are put in place holder — this is attached to a <sup>conveyor</sup> belt pulley system. So that each person pull through the various pictures

# SKELETON and his different skins

From a dream...  
Just like we wear different masks — Sometimes act like versions of ourselves  
the Skeleton has skin suits different cultures/backgrounds of people
